

Valves Out of Product Procedures

Foodservice Operations & Customer Service
Every Opportunity, Flawlessly Executed

If you have one or more fountain valves that are out of product, a simple protocol will help keep things neat and clean.

- ✓ Continue daily and weekly cleaning routines on the valves and BIB connectors, even though they are not in service.

<https://www.cokesolutions.com/equipment/fountains/foodservice-quality>

- ✓ Tape a note to the valve to inform all consumers.

**Temporarily
Out of
Product**

If you have any questions or problems, please feel free to call Coca-Cola at **800-241-2653** and ask to speak with **myCoketech**, who will be happy to assist.
